Advent/Christmas/Epiphany is Almost here!

By Pastor Cindy

The Advent devotional I found for us this year is: *A Weary World Rejoices* by Dr. Kate Bowler of Duke University. She loves to preach, lecture, and write books about life's struggles and joys, hopes dashed, and promises kept. She had stage IV cancer and now she is cancer free and grateful. Her podcast is titled: *Everything Happens*. In the introduction she writes:

"Have you been looking at the jaw-dropping new images that are coming in from the James Webb Space Telescope? These photos of deep space are wild and surreal. Pillars of gas and dust. Clouds of yellows, oranges and blues that capture the mystery and dazzling beauty of the universe. You are immediately struck by the sense that there is so much out there, but it's not here. Not yet.

The days leading up to Christmas (we call this season Advent) are kind of like that. It is a promise that is coming, as surely and steadily as light traveling from a distant star. It is the promise of a return, a restoration of all things to their true being, a goodness which was conceived from the beginning of time, a realized hope we've been longing for. For the "days are coming," say the prophets of old. "The days are coming," declares the Lord, "when I will fulfill the good promise." The promise of truth, compassion, restoration, and justice. These four promises are developed in the devotional guide. They will serve as our guiding themes—pulling us toward a future that we can only glimpse. But it is a future that will turn everything upside-down (or maybe right-side up). Everything wrong will be made right; everything bad will be made good; everything empty and devoid of love will be filled."

I don't know if Dr. Bowler credits prayer or a miracle for her cancer remission. But it is wonderful to learn that such a great inspirational person has a longer life to live. Kate remains alive today because the cancer responded to a new immunotherapy drug. She makes the best of living with the uncertainty of what the future holds. For now, she is cancer free.

I hope you will live Advent differently this year in some way. Maybe take more time to take care of yourself. Maybe share your life with someone in need more fully. Maybe stop, smell the roses and look up at the stars at least once a day and night. YOU are a gift to the earth for the time you are here. Act like one! Enjoy being a blessing. Happy Advent, Merry Christmas, Happy New Year, and may there be a new Epiphany in 2025! - Love, Pastor Cindy

Being a Good Steward

Dear Generous Members and Friends of PCOR,

As I sit down to write this letter, I am reminded of the beautiful words that speak directly to the heart of our faith and our community: *"Each should give as they have decided in their heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work."*—2 Corinthians 9:7-8

These verses from 2nd Corinthians remind us of the joy and freedom that come with giving. The apostle Paul speaks of a type of giving that flows from the heart, not out of obligation or pressure, but out of an abundance of love and gratitude for what God has done in our lives. It's this spirit of *cheerful giving* that has sustained our Church of the Roses through the years, and today, I want to invite you to continue being part of this joyful response to God's grace.

Our Mission, Our Ministry, Our Impact for over 73 years!

Here at the Church of the Roses, we are blessed to have a church family that believes in serving both our community and the wider world. Our church's mission is simple yet profound: to be a light in the world, reflecting the love of Christ through worship, discipleship, and service. Our church building is used by the community in many ways.

Whether it's through the outreach ministries that feed those in need, the children and youth programs that plant seeds of faith in young hearts, the worship services that lift spirits, or the missionary efforts that reach beyond our local community—our church's ministries are vibrant, impactful, and life-changing. We provide a place for the Scouts, Rotary clubs, 4-H, AA, Co-DA, the Korean Presbyterian Church, Rosebud Preschool, Council on Aging, the Threshold choir, Cantiamo choir, the MHS choir, and other organizations who benefit from using our wonderful facility on a regular basis. However, none of this can happen without your faithful support. It is through your generosity that our church building remains a sanctuary for the whole community.

The Joy of Giving

Paul's words remind us that giving is an opportunity for joy. When we give cheerfully, we are participating in the grace of God, allowing blessings to flow through us to others. It's not about the amount we give, but about the heart behind it. God calls each of us to

give according to what we have decided in our hearts—not reluctantly, not because we feel pressured, but because we are responding to the incredible love and grace that we have received. The giving of your gifts and talents will sustain our church into the future.

And as we give, God promises something amazing: *God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work.* **God's blessings overflow, not only to meet our own needs, but to enable us to continue to do good and spread God's love.** This is a beautiful cycle of grace—God blesses us, we give cheerfully out of that blessing, and in turn, God blesses us even more so that we can continue to abound in every good work. It's a cycle that has sustained our church for 73 years, and it's one that we are called to continue today.

Our Need and Your Invitation

As we look ahead to the coming year, we are excited about the opportunities God is placing before us to expand our ministries, to reach more people, (young and old), and to deepen our impact in the community. But in order to do so, we need your support. Our church relies on the cheerful and faithful giving of its members and friends to keep our ministries thriving and our mission in Santa Rosa and beyond alive.

Please prayerfully consider how you might contribute to the work of the church. Whether you are able to give financially, offer your time, or share your talents, every gift is precious and so greatly needed. Please remember: God knows your heart, and God delights in whatever you can give out of your love and faithfulness. Your generosity, no matter how large or small, helps sustain our mission and ensures that we can continue to be a beacon of Christ's light in our community and wherever we are called to shine.

Thank You

Thank you for being part of this church family. Thank you for your prayers, your service, and your generosity. It is because of your faithfulness that we are able to do the good work God has called us to do.

As you consider how you will estimate your giving for 2025, we pray you may experience the abundant grace of God as you contribute to this exciting journey of faith that started with the "church built in one day." Please fill out the "Estimate of Giving" card included and place in the offering plate or mail into the church office. (All giving cards are CONFIDENTIAL between you and God and the church finance department.)

A Blessing for Opening To Grace and Truth

JESUS, bless the hearts we have,
 for we are troubled by many things.
 Hearts that are hard like flint,
 or melting like wax at the way things
 are in the world.

Bless these troubled, flinty, melty
 hearts.

We open them to You.

Jesus, there's freedom in this,
 In realizing that You are there
 at the very center of things.
 Holding our trouble and our fears
 and also our joy and excitement.

You are there,
 hands cupped around our
 contradictions.

You are the home we always wanted.

For Your Truth is unfailingly gracious,
 And Your Grace is unfailingly true.

Come, Lord Jesus.

WORSHIP IN THE Arts

We notice the seasons changing. Days get shorter. There is more darkness. Yet we look forward to the season of great light when “the light of the world” is born.

But first we celebrate All Saints Day giving thanks for those of faith who came before us. Then to express gratitude for the bounty of the harvest season, Thanksgiving provides the opportunity to share by bringing non-perishable foods to decorate the sanctuary and provide for less fortunate members of our community. Watch for announcements and information in the Mail Chimp for details.

While our landscape changes with the season, so will the sanctuary as decorations help us feel the spirit of the season. You are invited to stay after the worship service on December 1, the first Sunday of Advent, to help decorate the sanctuary. If you have a creche you would like to put on display for part or all of Advent, please contact someone on the Worship Committee or the church office. These always pique interest and add to our feeling that Christ comes to be a savior to allx people. There will be bulletin inserts for making a donation of a poinsettia in memory or in honor of loved ones. As always, music will lift our spirits. Please join us for as many of the special times and events for worship in the Advent and Christmas season.

Youth Christian Education

Judy Clarke was celebrated with a presentation from the Sunday School kids during the service on August 18th. That day also marked a welcome back to school and the start of the Sunday school program for the year. The Sunday School classroom is all decorated with the Walk with Jesus theme. There was cake, of course, in Bowen Hall right after church for the fellowship time.

Another Parent's Night Out is planned for Friday December 13th from 5:30 to 7:30. This is usually a well-attended event by the kids in the Rosebud preschool program as well as some of our Sunday School children. There will be crafts in addition to the usual games, movie, and pizza dinner. Maya, Leoni and Julia, our first

youth volunteers, will be helping the younger children with the crafts. The parents really enjoy the 2 hours to shop or eat dinner in Montgomery Village.

If you didn't see the Moment for Mission prepared by our Sunday School xstudents on October 20th—you missed a real cute plea from the kids for 3 volunteers to help with the Sunday School Program. Please contact either Diane Osten (Petmom@sonic.net) or Barb Basham (Barbbasham@comcast.net) if you can be a volunteer.

From the Director of Music

Since I fell and fractured my back I have had to miss some Sundays while in the hospital, but I'm home and on the mend! Both the choir and Bellissimo stayed on task and we have Linda Burille to thank for that. She stepped up in my absence and made sure nobody missed a beat! Thank you so much, Linda! And there has been a more permanent change ... Jessie Arriola, a member of our choir and a bell ringer, is the new Director of Bellissimo! She was the clinician for our Handbell Clinic on September 8th, which was a huge success! Jessie has a wealth of experience, both as a ringer and a director, and we are fortunate to have her in her new position - congratulations, Jessie! Bellissimo is working on a new piece called "In Quiet" by local composer, Rob Ott, and they are planning to premiere it soon. More info on that as it unfolds!

The other important event that took place in my absence, thanks in large part to Deborah Wolff-Baker and Bill Morgan, was the Allan Petker Choral Workshop. It was an ecumenical event that was well attended (two full choirs, among others, came and were featured, as well as our own Roses Chancel Choir,) on the 5:00 pm concert at the end of the day. It's important to host these types of events - it brings church choirs together and encourages fellowship. Bill and Deborah had a crew of helpers to make this happen, and this event was well worth the effort!

The Roses Signature Concert Series dates have changed a bit, below please make a note of these upcoming concerts. We have had two concerts already; the Bennett Friedman Jazz Quartet and the Fall Cantiamo concerts, both of whom drew large crowds. Please plan to attend these concerts.

Journey to Christmas: An Invitation to Live Kindness Daily

Dear PCOR Family

As we enter this season of Advent, we are invited to prepare our hearts for the coming of Christ, the ultimate expression of God's love and kindness to the world. This sacred time reminds us to pause, reflect, and open ourselves to His light, allowing it to fill us with hope, peace, and purpose.

In the spirit of this season, I want to offer a gentle challenge: let's make kindness not just a gesture, but a habit that carries into the new year. Let us move with intention, sharing God's love in simple ways—a warm smile, a helping hand, or a compassionate ear. Each act, however small, can be a spark of hope and healing in a world that needs it deeply.

As we celebrate the miracle of Christ's birth, may we embody His love and let kindness become our daily offering. Together, let's make this season a starting point for a year filled with intentional acts of love.

With Joy and Blessings,

Jonnique Perrilliat
Director of Communications

7 WAYS TO START MAKING KINDNESS THE NORM IN YOUR DAILY LIFE:

- 1 Send an uplifting text to a friend or family member.
- 2 Let that guy merge into traffic with a wave and a smile.
- 3 Include intentional moments of kindness, laughter and delight in your daily routine.
- 4 Go *slightly* outside of your comfort zone at least once a day to make someone smile.
- 5 Share a compliment with a co-worker or friend.
- 6 Reach out to a family member you haven't spoken to in awhile.
- 7 Treat someone to a cup of coffee (a friend, stranger, or even yourself).

make kindness the norm.

HEALTH MINISTRY UPDATES

The Presbyterian Church of the Roses Health Ministry is invigorated with new plans to renew its mission to encourage health, healing and wholeness within our Congregation and our Community. Do you remember our monthly Blood Pressure screenings and "Ask the NP - Brown Bag Medication Review" the 3rd Sundays after worship? We will restart these services in January 2025. Maintenance of blood pressure at target goal is important in the prevention of stroke, cardiac events and renal impairment. Is your blood pressure in range? Often patients have questions not answered (or even thought of) in a hurried office visit with their Medical Provider. This will give our members a confidential opportunity to share their concerns and develop a list of questions to bring to their next visit with their own Primary Care Provider if they desire. It will also offer an opportunity to assess lifestyle factors and root causes of dis-ease that might be addressed to improve overall health and wellbeing.

Other upcoming plans are for a study of the beautiful holistic teachings and book by Gladys McGarey, MD: *The Well-Lived Life - A 102 YEAR OLD Doctor's Six Secrets to HEALTH And HAPPINESS At EVERY AGE*. I can't wait to share her amazing life's work with you! Her life and her wisdom are truly inspiring! Each of her six "Secrets" is divided into sections that guide learners in accessing their innate inner wisdom to release the "physician within" on their journey to Health, Healing and Wholeness.

You are here for a reason

All life needs to move

Love is the most powerful medicine

You are never truly alone

Everything is your teacher

Spend your energy wisely

Other Health Ministry developments include: Revamping the First Aid kits in various locations throughout the Church campus over the next couple of months. More to come on this endeavor, but I also want to share that our Church is participating in an important safety measure through the California Department of Health Care Services (DHCS) entitled: *The NALOXONE DISTRIBUTION PROJECT*. The goal of this project is to reduce the number of opioid overdose-related deaths throughout California by providing individual doses of intranasal naloxone free of charge to various qualifying organizations. Narcan is an opioid reversal agent that may be used to save lives of those who have been found unconscious with the suspicion of overdose on or around our campus. As of May 2024, we have stocked several vials of Narcan provided to us by DHCS in our first aid kits throughout the Church Campus. Because Health and Safety are related concepts in answering God's call to Care for One Another, our Church has convened a new Safety Team and has begun putting together a Safety and Crisis Management Plan. This plan utilizes Prevention, Mitigation, Preparedness, Response and Recovery strategies. The plan is currently in development at this time and will cover a variety of potential threats such as: Severe Weather/Wildfire/Earthquake, Fire, Lockdown, Active Threat, Suicide, Missing or Kidnapped Students, Death, Accident, Serious Injury, or Medical Condition, Hazardous Material Spill, Bomb or Suspicious Device, Homeland Security Advisory Systems, Civil Disturbance, Spilled Body Fluids, Child Abuse and Neglect, Communicating During a Crisis, and Pandemic Illness Response. Current Safety Team members include: Pastor Cindy, Raven Duchscherer, Dennis Baker, Lindsay Olsen, Kristina Textiera, Connie Soldate and Al Ledwick. A well-written article on why a Safety Plan is a good idea in churches can be found here: <https://theleadpastor.com/how-to/church-security-plan/> Look for more information to come on this as plans continue to develop, and let us know if you have an interest in joining this important group dedicated to the safety of our Congregation.

As described, Health Ministry is a wonderful lens to view and plan many of the activities and outreach of the Church. Christ calls us to Life Abundant (John 10:10) and through these offerings, this is our aim for ALL.

Deborah Wolff Baker MSN, ACHPN, FNP-BC, GS-C
Faith Community / Parish Nurse Practitioner

I'm a strong advocate for making the distinction between Nurse and Nurse Practitioner. The role of NP is very different than that of a nurse. Nurse Practitioners are Primary Care Providers with advanced education, knowledge and training that allows us to assess, diagnose and prescribe at the level of any PCP, including physicians. I consider myself a Faith Community Nurse Practitioner. (The term Parish Nurse was semi-retired when the role became nationally certified.) I don't do "nursing", I do medicine with a nursing background.

At Rosebud, we're diving into fall with enthusiasm! The kids are busy birdwatching, catching falling leaves, marveling at the vibrant colors around them, and enjoying the delicious apples from our trees. In the classroom, we're exploring all things autumn, from trees and leaves to the harvest season. Our Pre-K children have been learning about healthy bodies through the foods they eat and ways to stay active. They are now in the middle of a unit on apple and pumpkin exploration.

Last month, we held our back-to-school night, and it was wonderful to connect

with our families, share what's happening in the classroom, and introduce ourselves. We had a fantastic turnout, and we're excited to see just as many—if not more—families at our upcoming, much-anticipated Trunk or Treat!

This year, in addition to the teachers decorating their cars for trick-or-treating, we'll have a jumpy house, pumpkin bowling, a spider toss game, and plenty of yummy snacks and treats to enjoy. We can't wait to see everyone dressed up and ready for a fun-filled evening. Trunk or Treat will take place on Thursday, October 24th, from 5:30 PM to 7:00 PM. It's sure to be a spooky good time!

That's all for now from all of us at Rosebud. Happy Fall!

What's Happening in the Community?

Alan Petker, composer and conductor, led a 2 day workshop with three choirs at the Church of the Roses. The concert was a beautiful musical gift for all attending.

Over 100 people attended a talk by an ex-Israeli soldier who shared about the trauma imposed on the Palestinians AND the psychological trauma experienced by Israeli soldiers who (for many years) have had to execute orders to attack and uproot the Palestinian people. It was sponsored by the Jewish Society for Peace. Reverend Lindsay Kerr of Christ Church Methodist led the discussion along with a testimony by Meital Yaniv who wrote a book about their experience. Meital has family members in the Israeli army and cousins who are Palestinian stuck in Gaza.

PCOR MEN'S GROUP

Mark your calendar for November 16th and December 21st – two dates filled with camaraderie and connection.

On Saturday mornings, we gather to savor a delicious breakfast, and everyone is welcome to join in the preparation, indulgence, and clean-up. These moments are where connections thrive, and bonds grow stronger.

Embrace this opportunity to create new friendships and enrich existing ones. In the heartwarming embrace of our group, you'll find a community that uplifts and inspires.

Join us on this journey of camaraderie and friendship. We can't wait to share laughter and memories with you. See you there!

Coffee, Pastry, and Camaraderie

PCOR women, join us at Pascaline every 3rd Saturday, 8:15 a.m. (during Men's Club) for no-host, no-agenda cup of coffee and pastry. And, of course, GREAT conversation!

Volunteers are NEEDED!

We need more Breakfast Angels to keep our breakfast club going every day of the school year! Please plan to give of your time one day of the week from 6:30am to 8:30am with cleanup after either on a weekly basis or as a substitute when needed. Mondays and Wednesdays are most in need.

Call the church office and speak to Raven for more information: 707-542-4272.

A QUILT can be many things: a way to make something useful out of scraps, a work of intricate beauty like a mosaic, or a simple but beautiful, warm, comforting cover for a lap.

Church of the Roses Quilt Group has been making quilts like that to give to home hospice groups and to comfort people in our own church.

We have a wealth of beautiful fabrics and all the tools we need to continue this ministry. What we need is designers and cutters and stitchers. Come join our friendly group on 2nd Thursday mornings at 10:00 a.m. in the Sunday School Room and we'll show you how it's done! Starting in September.
